

M/Y Jasmine

A JEWEL OF THE RED SEA by MSY SHIPYARD

THE 56-METER M/Y JASMINE, SET TO LAUNCH IN THE SPRING OF 2025,
IS THE LATEST MASTERPIECE FROM MSY SHIPYARD
AND THE LARGEST YACHT THE SHIPYARD HAS EVER CRAFTED.

Jasmine redefines luxury on the water, offering expansive, elegantly designed spaces, cutting-edge technology, and unmatched attention to detail. This exceptional vessel is poised to set a new benchmark for opulence and sophistication in the world of superyachts.

MSY Shipyard, based in Safaga, Egypt, has built a reputation for delivering high-performance yachts that blend innovation with luxurious craftsmanship. Previous yachts, such as the 43m M/Y Captain Sparrow, the 53m M/Y Sparrow, and the 57m P/Y Jack Sparrow, showcase the shipyard's dedication to excellence, making Jasmine a natural continuation of their legacy of outstanding design and engineering.

EXCEPTIONAL ACCOMMODATIONS

Onboard Jasmine, 12 guests are treated to an extraordinary level of luxury. The 77 sqm master suite is a sanctuary of opulence, featuring a private balcony, panoramic views, a Jacuzzi, a massage chair, and advanced entertainment systems. A dedicated private meeting lounge provides business convenience within the suite.

Three 56 sqm suites offer a perfect balance of luxury and functionality, each with a spacious bedroom, living area, dual minibars, private balcony, and state-of-the-art entertainment. These suites, designed for comfort and privacy, also feature two bathrooms and stunning sea views. Four 28 sqm standard cabins each come with private bathrooms, minibars, balconies, and entertainment systems. Designed with the highest standards of comfort, these cabins offer a serene and elegant retreat.

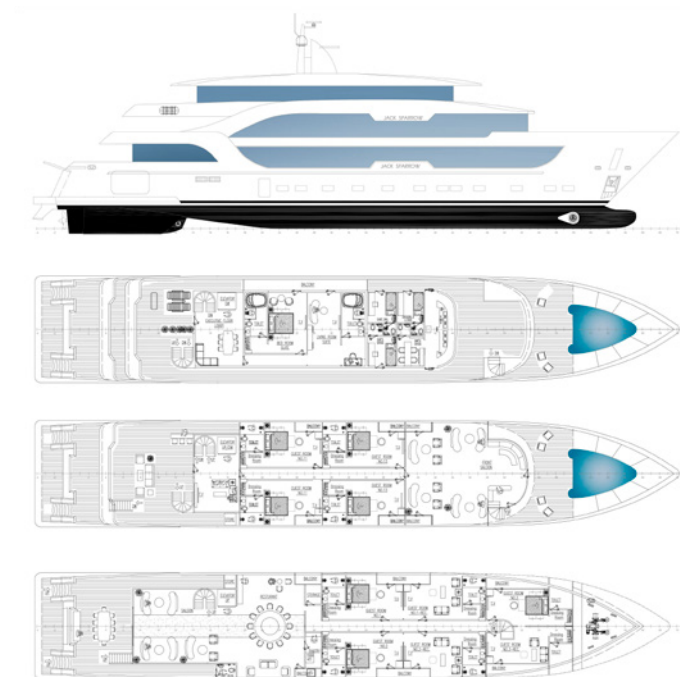

RECREATIONAL AND WELLNESS FEATURES

Jasmine is designed for both relaxation and adventure, offering a variety of recreational features. The beach club, located at the stern, provides direct access to the water via an aft door and side ramps—ideal for water sports or a refreshing swim. The yacht also features a heart-shaped swimming pool surrounded by a spacious sunbathing area, offering a tranquil space to unwind and take in the surroundings. The onboard spa is a true oasis, offering a sauna, steam room, Turkish hammam, Jacuzzi, and massage room, each designed to rejuvenate the body and mind.

For those looking to stay active, the fully equipped gym offers the latest fitness equipment, ensuring guests can maintain their workout routines at sea.

SOPHISTICATED SOCIAL SPACES

Designed with elegance in mind, Jasmine features several communal areas ideal for socializing, dining, or relaxation. The 120 sqm main salon and dining area blend luxury and comfort, providing the perfect space for formal gatherings or intimate dinners. The open-plan design creates a seamless flow, ideal for entertaining guests. The forward salon, spanning 90 sqm, is an ideal place for relaxation, offering floor-to-ceiling windows and panoramic sea views. Two smaller lounges of 30 sqm each offer quiet, intimate settings for private conversations or moments of reflection.

JASMINE REDEFINES LUXURY ON THE WATER, OFFERING EXPANSIVE, ELEGANTLY DESIGNED SPACES, CUTTING-EDGE TECHNOLOGY, AND UNMATCHED ATTENTION TO DETAIL. SHE IS POISED TO SET A NEW BENCHMARK FOR OPULENCE AND SOPHISTICATION IN THE WORLD OF SUPERYACHTS.

SEAMLESS COMFORT AND CUTTING-EDGE TECHNOLOGY

Jasmine is not just about luxury, it's a marvel of modern engineering. The yacht features an elevator providing easy access to all decks, a high-capacity air-conditioning system for year-round comfort, and advanced propulsion and stabilization systems that ensure smooth cruising even in challenging conditions. Powered by three 1550 HP engines, along with thrusters and auxiliary generators, Jasmine delivers exceptional power and maneuverability. Her advanced navigation and communication systems ensure seamless and safe cruising, allowing guests to explore new horizons with peace of mind.

LUXURY, REDEFINED

Jasmine represents the pinnacle of luxury yachting. With its breathtaking design, luxurious accommodations, innovative technology, and unparalleled recreational features, Jasmine offers an extraordinary yachting experience. Whether enjoying the master suite, relaxing at the beach club, or hosting a sophisticated event in one of her elegant salons, Jasmine sets a new benchmark for modern yachting.
